PRESS RELEASE

NOVA KBM – PRELIMINARY ALLOCATION

Maribor, Slovenia, 20 April 2011 – Existing shareholders of Nova KBM, the second-largest banking group in Slovenia, exercised their pre-emptive right for a total of 8,056,622 shares (or EUR 64,452,976) out of 13,040,989 ordinary shares the Company plans to issue. This means the Republic of Slovenia will probably maintain, directly or indirectly, a 51.09% ownership stake in the Bank.

The remaining 4,984,367 shares (or EUR 39,874,936) are to be allocated to retail and institutional investors in accordance with the prospectus.

The Company plans to raise gross proceeds of up to EUR 104.3 million. The proceeds from the issue will be used to finance implementation of the Group's growth strategy, calling for reinforcement of market position, further international expansion, optimisation of management and governance within the Group, and development of innovative distribution channels. A portion of the proceeds will also be used to meet potential new capital adequacy requirements for the banking markets.

Nova KBM plans to debut on the Warsaw Stock Exchange on 6 May of this year.

***Matjaž Kovačič**, CEO of Nova KBM d.d., commented: "We are pleased with the great interest shown in our company by investors during the bookbuilding process, as they expressed their interest in purchasing all the shares we are going to issue. However, since our existing shareholders decided to exercise their pre-emptive right, we will allocate a total of 4,984,367 shares (approximately 38% of the shares in the offering) to our new institutional and retail investors. The capital increase will accelerate the growth of Nova KBM and the implementation of the group's ambitious growth strategy, which is*

based on reinforcing the bank's market position, further foreign expansion, optimising the group's management processes, and development of innovative distribution channels"
