COUNTER-PROPOSAL

Ljubljana, on 23 June 2014

I.

The Republic of Slovenia, herein represented, in accordance with the provisions of the Slovenian Sovereign Holding Act (Official Gazette of RS; No. 25/14), by Slovenski državni holding d.d. (Slovenian Sovereign Holding) (hereafter: the Proposer), holds 10,000,000 ordinary no-par value shares of Nova KBM d.d. (hereafter: the Company), which makes up 100% of the Company's share capital. This substantiates the Proposer's legal entitlement to file this counter-proposal.

II.

The Proposer hereby files the following counter-proposal to Point 5 of the agenda of the Company's 26th Shareholders' Meeting, which relates to the proposed amendments to Nova KBM's Articles of Association:

Resolution proposal:

- The Nova KBM Shareholders' Meeting adopts the amendments to Nova KBM's Articles of Association as proposed.
- The consolidated text of Nova KBM's Articles of Association shall be drawn up by taking account of the adopted amendments.

Explanation:

Considering that the Nova KBM Management Board heads the entire Nova KBM Group and is therefore accountable for its performance, the Proposer believes the members of the Nova KBM Management Board are not entitled to remuneration for acting on supervisory boards in subsidiary companies within the Nova KBM Group, nor are they entitled to receive meeting attendance fees. In addition to amendments proposed to Nova KBM's Articles of Association by the Management and Supervisory Boards of Nova KBM, the Proposer hereby proposes that a new, third paragraph of Article 21, which regulates this issue, be added to Nova KBM's Articles of Association.

The Proposer hereby proposes that the voting on its counter-proposal be carried out prior to the proposal set out in the notice of the Shareholders' Meeting dated 20 June 2014.

PROPOSAL for amendments to Nova KBM's Articles of Association

Amendments to the Articles of Association, by individual articles, together with explanations

1. In Article 21, a new, 3rd (third) paragraph is added after the 2nd (second) paragraph, reading as follows:

(3 (three)): Members of the Bank's Management Board are not entitled to a payment for acting on the supervisory board in a subsidiary company within the Nova KBM Group, but may only be reimbursed for these costs in accordance with the relevant decision adopted by the Shareholders' Meeting of the respective subsidiary.

Explanation: Considering that the Nova KBM Management Board heads the entire Nova KBM Group and is therefore accountable for its performance, the Proposer believes the members of the Nova KBM Management Board are not entitled to remuneration for acting on supervisory boards in subsidiary companies within the Nova KBM Group, nor are they entitled to receive meeting attendance fees. In addition to amendments proposed to Nova KBM's Articles of Association by the Management and Supervisory Boards of Nova KBM, the Proposer hereby proposes that a new, third paragraph of Article 21, which regulates this issue, be added to Nova KBM's Articles of Association.

2. In the first sentence of Article 22, the wording "7 (seven)" is replaced by the wording "6 (six)".

Explanation: Nova KBM's Articles of Association stipulate that the Nova KBM Supervisory Board shall consist of seven members. On 19 March 2014, Egon Žižmond resigned as a member of the Supervisory Board, as a result of which the Supervisory Board has since been carrying out its operational functions as a six-member body. By making this reduction, the number of Supervisory Board members stipulated in Nova KBM's Articles of Association is adjusted to the number of Supervisory Board members that actually perform their supervisory role. This amendment to its Articles of Association makes it possible for Nova KBM to continue to ensure that it complies with the commitments adopted by the European Commission in respect of corporate governance, according to which Nova KBM is required to reduce the number of its Supervisory Board members.

3. In Article 58, the date "18.12.2013 (eighteenth of December two-thousand-thirteen)" is replaced by the date "14.3.2014 (fourteenth of March two-thousand-fourteen)".

Explanation: The amendment to Nova KBM's Articles of Association referred to above is of an editorial nature only.
